GRADUATE EMPLOYABILITY IN THE EVERYDAY UNIVERSITY CURRICULUM

This worksheet has been designed to support students and educators to improve graduate employability in the everyday university curriculum. Graduate employability means that higher education alumni have developed the capacity to obtain and/or create work. It also means that institutions and employers have supported the student knowledge, skills, attributes, reflective disposition and identity that graduates need to succeed in the workforce. This worksheet has been designed based on the data from 700+ surveys and interviews/focus groups, with 147 people. Support for the production of this worksheet has been provided by the Australian Government Office for Learning and Teaching. The views expressed in this framework do not necessarily reflect their views.
